Dear Mothers, Fathers, Carers and Local Residents

Treat Café:

Thank you to the Friends of Wicklea for organising and running our very first Treat Café – it was popular beyond our most ambitious estimates with £200 being raised! Thank you also to Kelly and the kitchen staff for preparing cakes and to the staff that helped serve all those tea, coffees and hot chocolates! The Friends are intending to run one treat café each term – next date to follow.

If you are interested in joining the Friend's group, please contact them at Wickleafriends@gmail.com

Thank you so much if you entered this year's competition, we had lots of fantastic entries and have raised a lot of money for The Grand Appeal (this year's chosen School Council charity).

Sharing our Communities Skills:

Thank you to Little Music Makers, Robin and Ali, two of our parents, who came into Year 4 to show us the work that they do, and why they decided to do it. It certainly gave some of us ideas for our own future careers! We even got a chance to carry out some of the activities that they do, such as the 'dinosaur song' and keeping rhythm using claves. We all had a fun, informative and educational afternoon.

If you have a career or skill that you feel the children would be interested in and maybe inspired by and you would be willing to share that either in assembly or by talking to individual classes, please let Mr Morgan know, as we are keen to show the children the opportunities that could await them after school.
